Describes the knowledge, understanding, skills and values students should be able to demonstrate at the end of the unit

The key learning that students will be able to demonstrate at the end of the unit

Are the opportunities we give students to demonstrate what they know, understand and are able to do with the intended learning

LE: Are the activities that students will participate in to realise the intended learning
 LI: Describes the learning the teacher wants the students to know

Describes what success looks like and helps the teacher and student to make judgements about the quality of the learning

Ask the questions
 Did the learning take place?
 Challenges? Opportunities?
 What? So What? Now What?
