

# Classroom-Based Assessment 2: Programme Note

## Research Skills

### 1. Explore

- Choose a topic
- Listen to music
- Keep a diary of all music listened to and information gathered
- Use musical scores and background reading, where relevant

### 2. Identify Questions

- What questions arose from my research?

Possible questions could be...

- Who wrote/sang this song?
- Why did he/she write this music?
- What type of piece is this?
- Where is my favourite section of this piece of music?
- Is this piece typical of the time it was written or collected in?

# RESEARCH

### 4. Reflect

- Identify and reflect on my personal strengths and weaknesses: How did I learn best?
- Consider my choices and decisions
- Ask for help and be ready for feedback
- Revise and improve: What was the learning for me? How might I use this learning in the future? What are my next steps?

### 3. Present

- How will I present my research?  
Written?  
Digital?  
Visual?  
Audio?  
Other?
