

JCT CPD Supports 2021/2022

Subject Supports

2020/2021

Accessing Subject Cluster Materials

Our 2020/2021 CPD supports, which were hosted as online engagement, are now available in the 'CPD Workshops' section of each subject area on www.jct.ie.

This is to support teachers who teach more than one subject and who could only attend in one subject area as part of their cluster event during 2020/2021; teachers new to teaching this subject; and teachers who might like to revisit this learning individually, or in collaboration with their subject department.

REGISTER to receive regular subject-specific mailshots, newsletters and direct access to new resources and supports. See 'Join our Mailing List' on www.jct.ie

January to March 2022

Subject CPD School Cluster Online Events

We look forward to seeing you at these live and interactive online cluster events between January and March 2022

- Teachers are registered by their school management
- Workshop registration links will be shared with teachers in advance through their school email. Teachers will need a device and good internet connection to engage.
- Schools should consider the quality and capacity of broadband when deciding whether teachers will log on from school or home.
- Workshops are designed for engagement by each teacher on an individual device.

Elective Subject Supports

- Regular live events such as webinars, online interactive workshops, face-to-face workshops, guest speaker events and online panel discussions
- Podcasts in the Junior Cycle Talks series
- Resources, infographics, screencasts, self-directed online learning modules and more!

To get direct notification about these events, sign up to your subject mailing list on www.jct.ie

Across-Subject Elective Supports

Arts in Junior Cycle and STE(A)M in Junior Cycle provide supports with relevance within and across subjects. JCT has established partnerships with individuals and organisations from the fields of STEM and the Arts to provide professional learning for Junior Cycle teachers including online workshops, face-to-face workshops, online tutorials, panel discussions and more. Sign up to the mailing lists on www.jct.ie and www.artsinjuniorcycle.ie

L1LPs & L2LPs

2021/2022

Our L1LPs /L2LPs team are committed to supporting all schools, teachers, and their students throughout this academic year.

Self-directed Online Engagement

Interactive modules are available on www.jct.ie for teachers to engage with individually, or as a group, as a support to:

- Implementation of L1LPs/L2LPs
- Teaching, Learning and Assessment and Reporting

Live Support

A full range of supports are available on L1LPs/L2LPs for both mainstream post-primary and special schools.

Junior Cycle Implementation Support (JCIS)

The JCIS Team is available to support schools with questions on all aspects of the implementation of the Framework for Junior Cycle (2015). Contact your Regional Team Leader.

The JCIS Team will be available to work with all schools nationally from November 2021 with a view to:

- Understanding where your school is at in terms of its implementation of Junior Cycle
- Planning for how JCIS can support your Whole-School Planning and Self Evaluation closure day

Following a planning consultation, schools will deliver part / all their school closure day, from within their resources, and in collaboration with JCIS.

The JCIS Team will also offer specific supports for:

- The Subject Learning and Assessment Review (SLAR) process
- Teachers with Junior Cycle Management Resource Hours
- Effective use of teacher professional time
- The wellbeing curricular areas of SPHE, PE and CSPE

Leadership Supports
