

#JCt4Tuesday

This week's resource is:

[Make programming lessons more productive](#)

Bring your students together in a single place, review all students' work live, download a class report of work completed, pause student work and save to resume for a later class.

Feel free to share your students' experiences with us, with their permission, via Twitter [@JCt4ed](#) or john.forrest@jct.ie

Please ensure your students are aware their work may be seen on Twitter if sent to JCT. Teachers, please ensure if emailing sample student work that you do so using your school/work email address.
